INFRASTRUCTURE AND FACILITIES

The college has one of the best infrastructures. Campus is Wi-Fi enabled. The library is pretty good with lots of books and active subscriptions.

Every student gets to read business newspapers like Mint and Business Standard. College provides the gym facility. The quality of the food is good. It is the only college in Mumbai which has Bloomberg terminals. Students get to use IT labs, digital library, and even an incubation centre, which gives students space to renovate and think out of the box.

FACULTY

The faculty members are knowledgeable and helpful. They provide extensive support to students. Teacher to student ratio is high. Technological aids are used to teach in the classrooms. Visiting faculty members also provide good knowledge about the subject. The course curriculum is very useful and updated. Students are provided with newspapers to know about the current affairs.

N L Dalmia offers range of courses for full time, part time as well as Global MBA. A gist of it is shown here.

PLACEMENT OPPORTUNITIES

Huge companies dealing in finance industry including credit rating, banking, analyst, etc. hire the final year students. To name a few, companies like D.E. Shaw, RCCM, Citigroup, Piramal, HDFC, CRISIL, etc. come to the campus for recruitment. These companies also select candidates for summer internships. The average salary package offered is approximately 6 lacs per annum. The highest package offered is 24 lacs per annum.

Marketing specialization also offers many reputed companies, one among them is HUL which is a dream company for many students.

Some Of the placement partners can be seen below.

HOSTEL AND OTHER ACCOMODATION

Apart from the instructure and placement opportunities, college also gives students who are non residents of Mumbai, residential facilities. Proper care of security, especially for girls is taken care of, by the Administration Department.

For students who do not want to opt for hostel, can easily find accomodation in the nearby vicinity, with a nominal monthly expense which does not exceed 7000 per month (rent, electricity, food, extra expense)

CANTEEN:

College has a well equiped and hygienic canteen for students, where nutritious food is provided everyday. This is the place where students relax and have a great time with their friends. The staff sees to it that the menu is diversified throughout the week and hence students enjoy the meal.

OTHER

Apart from the events and fests that the college organises, HODs of their respective fields also organise guest seminars and lectures of eminent personalities of the respective industries, to give students knowledge relevant to todays practical world.
