

Vivekanand Education Society Institute of Management Studies and Research (VESIM)

 Hashu Advani Memorial Complex, 495/497, Collector's Colony, Chembur, Mumbai - 400 074

VESIM is amongst the 22 institutions run by Vivekanand Education Society (VES). VESIM has achieved its position among leading business schools in Mumbai mainly due to its Humanistic Approach, Infrastructure, Discipline, Experienced Faculty, Teaching Methodology, Industry Exposure and many such facilities that it provides. The Institute encourages students to enhance their personal, intellectual and professional development in a positive environment.

VISION

To be the most preferred institution for higher management education in Mumbai.

MISSION

Develop socially responsible managers who are well grounded in theory and its application to real world problems in their fields.

Develop an institution that contributes to new knowledge creation.

Develop faculty capable of synthesizing, communicating and creating knowledge in collaboration with industry, peers, alumni and students.

VALUES

As per the Institute's name, it comprises of a set of values that the institute adheres to follow:

Teaching will be based on continuously updated courses that inculcate the principle of entrepreneurship.

Pedagogy will incorporate global best practices in management education.

Research will be based on theoretical and evidence based practices, with integrity and a frontier based approach.

Emphasis will be given on building social consciousness.

FACULTY

VESIM has faculty from across industry with a great knowledge and comprehensive industry experience. The students are not taught by the faculty but facilitated by them and act as a bridge between the industry and students. Each faculty facilitates in a different manner taking care that all students are developing their knowledge in the respective subject.

Our institute also has the Mentor-Mentee system which provides support and proper guidance by the mentor to each student on one-on-one basis. Students are allotted their faculty mentor in the very beginning of the academic year so that they could get benefit of the experienced mentor allotted.

INFRASTRUCTURE AND FACILITIES

VESIM provides multiple facilities to the students along with the great positive environment. Library at VESIM consists of various national and international books. Also, the library is digitally well-equipped along with ample of space for students to study, refer books or to do research. In addition to that, the library has an impressive subscription to a host of online databases such as J-Gate and EBSCO and research database - ProWess IQ from CMIE.

The classrooms are equipped with internet facility and audio-visual teaching aids for a better understanding to the students. FLIP classroom is the method of teaching that is used in classroom for better understanding of the subject. For the benefit of students, the institute has tie-ups with the following organizations and institutions.

The Hostel is located in the campus itself. The accommodation is available for boys and girls separately and is provided on first-come-first-serve basis. The facilities provided at the Hostel are: recreation room, dining hall, indoor games, outdoor games and mess facilities.

CULTURAL FEST & SPORTS

Litfest: The Literati Fest as known as Litfest is for celebrating the writers within us and all around the world. It also gives a platform to students to bring out coolest artists, creative writers, thinkers who are within them.

BASIC: Big Data Analytics and Smart Cities International Conference as known as BASIC is one of the most prestigious data analytics events in the country that brings together academicians, industry experts, and researchers, who discuss various opportunities offered by data and analytics in building smart cities.

INSANITY: INSANITY is an Intra-Collegiate Annual Sports Event conducted by VESIM. This event is open to staff and students enrolled at VESIM. Participants get a chance to compete in various indoor and outdoor events. The event is organized by the members of Sports Cell of VESIM.

There are many other events that happen in the academic year which helps students to explore new ideas and take up responsibilities building up their overall personality.

CSR

Not only the institute facilitates students with the academic education but also it creates empathy in their minds through various activities that includes participation of students.

The CSR Cell comprises of faculty and students who plan the events which include

Blood Donation Camp,

Cleanliness Drive-Swacch Bharat Abhiyan,

Tree Plantation,

Donation Drive-Box of Happiness,

Organ Donation Awareness and on-field projects.

This year VESIM has adopted five villages under The Unnat Bharat Abhiyan wherein it would try to help the villages by providing them with support wherever possible.

VESIM has already begun with this project initially focusing on a single village.

PLACEMENT AND INTERNSHIPS

The placement team at VESIM comprises of placement managers, student representatives and faculty members who work in coordination to help students to achieve their place in the industry.

There are various events throughout the year which facilitates the students to become industry ready. Few companies and organizations where students were placed in past are as follows

Thank you
