

XAVIER INSTITUTE OF MANAGEMENT AND RESEARCH

Location: St. Xavier's College Campus,
Mahapalika Marg,
Mumbai 400 001.

Vision:

XIMR will be a pre-eminent, multi-cultural, global business school. It will advance global management knowledge and practice and will be sought after by Governments, Non-governmental organizations, Multinational corporations, and the media for its expertise in forming persons for others, and with others.

Faculty:

The faculty at XIMR is exceptional in teaching standards. We have full time faculty that pay weekly visits to JBIMS, Sydenham, XLRI, XIMB and Great Lakes. We have a rich pool of visiting faculty at XIMR who also teach in other reputed colleges and many are also from the corporate industry with a very effective teaching methodology. The faculty is also infused with a strong sense of pride in their teaching and is committed to work as educators who create dramatic impact on the students.

Infrastructure and facilities:

The College has a very good infrastructure facility with Wi-Fi available on campus. The library is well equipped with a rich collection of books and active subscriptions to a range of magazines and newspapers. All classrooms are air conditioned and very comfortable with a very organized seating structure. The teaching method involves a perfectly balanced mix of the use of board and projectors whenever required and seminars also being conducted. It has academic and administrative buildings house, classrooms of different sizes and seating capacities, seminar hall, board room, conference hall, a state of art library, and offices for faculty and staff.

Canteen:

St. Xavier's college has a very renowned canteen and is known for its rich variety of food items comprising of both vegetarian and non-vegetarian food. The canteen is well equipped and hygienic with nutritious food provided every day. This is the place where students relax and have a great time with their friends. There are also many reasonable places to eat available around the vicinity of the college. Hence, food is definitely not an issue.

Hostel and other Accommodation:

There are upcoming hostel facilities with AC rooms which will be available in college. You can however also find hostels and PG's around the college. Hostel fees are around 7000 thousand/month excluding meals. PG accommodation will cost you somewhere around 10-12 thousand/month plus the electricity and maintenance costs.

Cultural events:

St. Xavier's college conducts Malhar cultural fest which is renowned as one of the best college festival. Every year, for 39 years now, Malhar has showcased the talents of the best in arts, dramatics, song, dance and literature, among other fields. With a wide range of events and performances, Malhar promises to be a fun experience.

Summer Internship:

Summer internship is an important and integral part of the academic curriculum at XIMR. The summer internship is planned for 8 to 10 weeks, during the months of May and June at the end of the first year. Companies like HDFC, Abbott Healthcare, Faber Castell, Walplast, Bridge group solutions and many more visit campus. The program provides students ample opportunities to innovate, add to, and challenge ideas and techniques used in the corporates. The institute encourages students to take forward Corporate Management Traineeship Program as the leading step in their Management Career.
